

1st ERMN Meeting

Panel guidance

Edina Ocsko (E40)
Panel discussion – 7 June

Purpose & structure of the panel

- Reflection on the workshop outcomes: Guidelines: Mobility Solutions, Sustainable Tourism, Mobility plans and Evaluation
- Questions on Slido

Key questions:

Feedback from [mobility challenges & solutions](#) (incl. tourism)

- What do you see as **main mobility & tourism challenges** of rural areas from your organisation's perspective?
- What **inspiring solutions** are out there (from workshops or elsewhere)?

Feedback on [planning mobility](#)

- What do you think would be needed for effective mobility **planning** in and for rural areas?

Feedback on [European networking support](#)

- What **support** is needed from a **European level** (ERMN and SMARTA-NET)? What's your experience with European networking (synergies with other networks)?

Timing

- Workshops: 9.45 – 11.15
- Short feedback from workshops (11.30 – 12.45)
 - 1-min intro by each panel member (5-6 min)
 - Feedback from WS1 & WS2 (5-6 min)
 - 10-15 min discussion on challenges & solutions
 - Feedback from WS3 (2-3 min)
 - 10-15 min discussion on planning mobility
 - 10-min discussion

Key messages ...

- **Information** & communication (using digital tools)
- **Integrated** systems (last mile): connecting different services (rail – bike – bus ...)
- The **social** and the **local** dimensions
- **Linking the different levels** – planning – *from local*, through regional, to national (+ urban-rural)
- Planning based on **evidence and data**
- **Tourism** dimension & local people's needs
- **Maintaining** services (“business models”, funding...)
