

European Rural Mobility Network Meeting

Èvora, Alentejo, Portugal, 15-16th May

Introduction to the Workshop session

Elena Bargagna
MemEx Srl

Themes

No.	Theme
1	(How) has COVID-19 changed lifestyle/mobility patterns, and is a rethink needed on aspects of rural mobility solutions? (led by Panteia)
2	The role of the Rural Pact and Smart Villages and their practical implications on the ground in supporting rural mobility (led by E40)
3	Building partnerships between tourism and mobility stakeholders – what is the common ground and what data is needed? (led by NIT)
4	What are the “rural dimensions” that should be considered by SUMP’s and eventually incorporated into guidelines? (led by TIS)
5	Setting up strategies to increase resilience of rural mobility in times of disruptive events and moving towards a net-zero economy (led by MEMEX)
