

5<sup>th</sup> European Rural Mobility Network Meeting

Workshop outline (15 May 2024, 16:00-17:30)

Title of workshop:	(How) has COVID-19 changed lifestyle/mobility patterns, and is a rethink needed on aspects of rural mobility solutions?	
Workshop Lead	Panteia –Jan Kiel, Daniela Mattiuz,	
<b>Short description of the workshop and purpose:</b>		
<p>The workshop's primary focus is to discuss how the COVID-19 pandemic changed individuals' mobility habits and what lessons we can draw from the experience.</p> <p>Participants will actively engage in group discussions, sharing experiences and viewpoints to identify key shifts in mobility habits and their implications for rural communities. Through collaborative dialogue, attendees will connect with peers facing similar challenges, fostering the exchange of ideas and potential solutions.</p> <p>The workshop will feature a presentation on the results of the SMARTA-Net Mobility and Tourism Behaviour survey by Panteia.</p>		
<b>Target audience</b>		
<p>This workshop is designed for a diverse audience, including participants from Lighthouse Sites (LSs) and other individuals interested in discussing how COVID-19 changed the mobility and tourism habits of individuals. It welcomes participants from different backgrounds and perspectives, encouraging them to share their unique experiences, insights, and suggestions. By bringing together a wide range of voices, the workshop aims to facilitate an enriching discussion that benefits from the diverse expertise of those interested in addressing rural issues.</p>
